MORPC Announces April Education Sessions for Home Buying

(Columbus – March 21, 2013) The Mid-Ohio Regional Planning Commission (MORPC) is offering free homeownership education for those who are seeking to purchase a home.

Prospective homebuyers will learn about budgets, mortgages, credit and home inspections at three homeownership classes held April 3, 10 and 17 from 5:30 p.m. – 8:30 p.m. The certificate received after attending all three classes can be used to help qualify for area downpayment assistance programs. For details or to register, call 614-233-4176 or email homeownership@morpc.org.

Receipt of a certificate also qualifies income eligible buyers to purchase newly renovated homes available through the Franklin County Neighborhood Stabilization Program (NSP). Homes available through this program may be viewed at www.comehomeco.org. More homes will be available soon.

All sessions are held at the MORPC office at 111 Liberty Street, Suite 100 in Columbus, Ohio. Free parking is available.

MORPC is a voluntary association of 41 local governments in central Ohio serving the region through planning, direct service, public policy information and innovative programming and intergovernmental coordinating services in the areas of transportation, land use, energy conservation, the environment and housing.
